

Frequently Asked Questions...

What is Titan Family K12?

- A web-based program used for filing out Meal Benefit Applications

Why use Titan Family K12?

- It gives the school district access to your completed Meal benefit application as soon as you submit.
- And lets you save your application from year to year

If I know I don't qualify, do I still need to include my income information?

- Yes, in order for us to call it a complete application your income needs to be on the application for auditing purposes.

What does a complete lunch application consist of?

- Including **ALL** members of the household on the same application
- Including your household income on the application
- Including the last 4 digits of your Social Security Number or checking the box indicating you don't have a SS#
- Including your SNAP, MFIP, FDPIR case number if you have one

What If I know I filled out my application incorrectly?

- Please take the time to complete the application again.

What if I have trouble including my income information in Titan Family K12 website?

- If you were not able to enter your income information please start over and re enter the correct information. Unfortunately, we are not able to edit online application and you will need to try again.

Is my application confidential?

- Yes, only certain staff members in the district are allowed access to the eligibility information and need to sign a confidentiality waiver.

Does my student know if they qualify for meal benefits?

- Since this is confidential information staff can not disclose this information to anyone without your permission.

Why is ala carte not included?

- Ala Carte is an added bonus for our students, therefore it is not considered a reimbursable meal. Only Reimbursable meals count with this added benefit.

What if I already filled out a Lunch application for this school year? Will I still receive free Breakfast and Lunch for December?

- If you already filled out a paper copy of the lunch application in full or online you do not need to fill it out again.

- If you already received a letter from Park Rapids Food Service Department including the eligibility of your students, whether you qualified or not, you will receive this benefit for the month of December.

What if I don't have access to a computer to fill out the application online?

- You can stop in to the District Office – 301 Huntsinger Ave. Park Rapids, MN and use the computer they have available for public use. Or,
- If you can get a paper copy of the lunch application back to us before December 1st we will honor the free December for your child.

Is this a Scam?

- No, the School Board is trying to give back to the families of Park Rapids School District. What better time than near Christmas!

Why is the District doing this?

- To give back to the students and families of Park Rapids School District
